## **WHAT: FAMILY WALK & PICNIC**

This is a short walk suitable for all abilities. We'll be mostly sticking to paths but where we do go cross-country, terrain will be fairly smooth. The route will take us through parkland and along the Thames, including a ferry ride across the water. There will be opportunities to chat and, for the young at heart, to play. There are several sets of toilets along the way. There's also a play park that we'll be stopping at.
