**Central London - Sightseeing
Explore - Adventure - Food**

Calling all London-loving adventurers! We will fill our own Pedibus with the first 12 people who sign up for this amazing tour experience. The route captures a variety of parts of London in a little over one hour, crossing the river Thames twice, incorporating the heart of Borough Market, Blackfriars Bridge, The Bank of England, Monument and then back to Borough Market.

The vehicle has a staff tour guide at the front and is arranged with two rows of seats and pedals facing each other either side of a central table for all the riders (it's not very strenuous as one person alone can power the whole bus!). You can bring nibbles and soft drinks to consume on the tour if you like. The Pedibus tour ends approx 12.00 hr at Borough Market so, for those who wish to, there is the option to look around this wonderful food market and have lunch together. If the weather's nice we can find a spot to sit outside. However, please feel free to end the social after the tour if you would prefer. On the tour, in the event of drizzle they can erect a roof over the vehicle. If it's very wet, it will be cancelled.
