History – Crusades - Museum & Priory - Guided Tour - Garden - St John's Ambulance – Design

We begin at **The Museum of the Order of St John** with an **11.00am** guided tour which lasts approximately 80 minutes (suggested donation £5 or £4 concessions). The tour tells the unique and fascinating story of an ancient religious military order, from its origins for caring for sick pilgrims in C11th Jerusalem to its modern day role through St Johns Ambulance - the international first aid charity. After the tour we will find sandwiches at the various eateries nearby, or you can bring your own.

After lunch we visit the annual **Clerkenwell Design Fair** taking place a few streets away. Housed across various buildings and old warehouses, this exciting annual fair showcases the latest contemporary design from international makers. Be inspired by the vast creativity in furniture, glass, lighting, mirrors, tiles etc before they appear in the shops. There are busy and quiet parts so you can pick which parts to explore for an hour or so before we reassemble and return to the station together. This event is free but **please register beforehand and print out your pass** to gain quick access or you may have to queue!
